

FUTURE CRUISE CERTIFICATE

Redemption Made Easy

We've enhanced AirWaves on Celebrity Central so you can now apply your customers' Future Cruise Certificates (FCCs) to bookings directly in AirWaves via the pricing page at the tie of booking, meaning there is no need to call our Contact Centre to apply the credit.

Redeem FCCs in 3 Easy Steps

- 1) If your client is an FCC holder, you are able to book cruises as per the usual steps on AirWaves. Select guest options as usual and proceed to the next steps.

When entering the guest details, ensure they match the details on the original FCC created.
